John M. Wyatt, cashier of the International Exchange bank of El Paso and Treasurer of the Deming Bank and trust company and Mark Miller of El Paso, stock holder in the trust company were in town the first of the week looking over the prospects for the new institution and were well pleased with the outlook.

Miss M. A. Alcott was exhibiting some peaches, grown on her place in the west part of town, which exceed anything in the peach line we have seen this year. If these peaches could be kept until fair time they would be premium takers of a certainty.

Lee Shipp, the popular proprietor of the Racket store went last Wednesday to El Paso and other Texas points for a short rest. Mr. Shipp started his store last March with a small stock of goods and by fair dealings and constant attention to his business has built up a good substantial trade. His big ad on another page makes some offers which it will pay you to read carefully.

A very pleasant party was given at the home of J. H. Tracy last Thursday evening in honor of Miss Mary Tracy who leaves for Las Cruces in a few days to attend school for the winter. A large number of Miss Tracy's young friends were present. Ice cream and cake were served and the evening spent in playing games and listening to music furnished by an orchestra secured for the occasion. The young folks left at about midnight wishing their friend a prosperous year's school work.

The recent gold strike in Gold Gulch is still causing a good deal of excitement, and as far as development work has progressed, the showing is all that could be desired, assay values have reached over the thousand dollar mark per ton now, and as the parties working the claims gain in depth the ore gets richer.

Save the Children.

Ninety nine of every one hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central Street Nashville, Tenn., says "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville; but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." Kodol digests what you eat and makes the stomach sweet. Sold by J. P. BYRON & SON.

Cures When Doctors Fail.

Mrs. Frank Chaisson, Patterson, La., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment of doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine 50c bottle at J. P.
